What Makes a Family Holy? – Pope Francis

1. First: *the family prays....*

I would like to ask you, dear families: Do you pray together from time to time as a family? ...Praying the Our Father together, around the table, is not something extraordinary: it's easy. And praying the Rosary together, as a family, is very beautiful and a source of great strength! And also praying for one another! The husband for his wife, the wife for her husband, both together for their children, the children for their grandparents....praying for each other. This is what it means to pray in the family and it is what makes the family strong: prayer.

2. Next, *the family keeps the faith.*

Here too, we can ask: How do we keep our faith as a family? Christian families are missionary families. ...They are missionary in everyday life, in their doing everyday things, as they bring to everything the salt and the leaven of faith! Keeping the faith in families and bringing to everyday things the salt and the leaven of faith.

3. And finally: *the family experiences joy.*

Dear families, you know very well that the true joy which we experience in the family is not superficial; it does not come from material objects, from the fact that everything seems to be going well... True joy comes from a profound harmony between persons, something which we all feel in our hearts and which makes us experience the beauty of togetherness, of mutual support along life's journey. But the basis of this feeling of deep joy is the presence of God, the presence of God in the family and his love, which is welcoming, merciful, and respectful towards all. And above all, a love which is patient: patience is a virtue of God and he teaches us

how to cultivate it in family life, how to be patient, and lovingly so, with each other. To be patient among ourselves. A patient love. God alone knows how to create harmony from differences. But if God's love is lacking, the family loses its harmony, self-centredness prevails and joy fades. But the family which experiences the joy of faith communicates it naturally. That family is the salt of the earth and the light of the world, it is the leaven of society as a whole.

Reflection Feast of the Holy Family of Jesus, Mary, and Joseph.

The ultimate aim of Saint Paul's Letter to the Colossians is to teach the community how to deepen its relationship with Christ Jesus. His list of virtues summarizes the ideals of communal stewardship: compassion, kindness, humility, gentleness and patience. For Paul, practicing these virtues opens our hearts to Christ as individuals and as a worshipping community. This is how the Christian community ought to live. This is how its members should behave in their dealings with others, particularly with fellow believers. As we approach the New Year, how might we embrace one of these virtues more fully in order to deepen our relationship with Jesus?

Happy New Year 2019

May the Lord bless you and keep you.
May the Lord let his face shine on you and be gracious to you.
May the Lord uncover his face to you and bring you peace."

The joy and peace of the Lord be always with you! - **Fr Antony**
