## THE PARISH CENSUS

..will take place over the week-end **30 June** and **1<sup>st</sup> July** and there will be a follow up the following week. There will be some helpers to assist and give advice on both week-ends. You will be able to complete the form online as well as a paper version. When you complete the form you will be asked if you give your consent to using your contact details within the parish, and also to using photos for use within the parish and the parish website.

The Census will be used to produce an up to date database of the parish.

It will be especially helpful in knowing where people live, so that we can arrange visits / support for those who are housebound. Families will be better served too, we will know ages of children and can see when they are due to come into school, to transfer to secondary, to make their first communion and confirmation. Provided we have up to date contact details we will be able to remind parishioners about events, dates affecting them.
